

The Directors of Devlyn Australia Pty Ltd are committed to delivering quality construction services to our clients, across a variety of sectors.

This Quality Management Policy and supporting Procedures have been developed in accordance with ISO 9001:2015 to govern the operation of the company and to ensure that Devlyn Australia Pty Ltd delivers quality assured outcomes in the design and construction of commercial and industrial projects.

This Quality Policy is to be communicated and implemented throughout the company.

Commitment

The Directors understand their commitment to the processes of continual improvement, achieving strategic objectives, compliance with applicable legal requirements, the security of personal information and company data and to the provision of a framework to review business and quality issues.

The Directors shall demonstrate their commitment through:

- Fostering a quality conscious culture and endeavouring to exceed client expectations.
- Their commitment to corporate social responsibility, sustainability, ethical behaviour and compliance to legal requirements in undertaking all business activities.
- Maintaining a sustainable debt to equity ratio to ensure business sustainability and ongoing support for all resources, including workers, subcontractors, suppliers and interested parties.
- Providing leadership in the competitive construction industry in Western Australia or other jurisdiction as appropriate at the time.

Actions

Devlyn Australia Pty Ltd shall take the following actions to achieve the stated objectives:

- Provide high quality products and services at a competitive price.
- Ensure that client and customer requirements are met.
- Produce building works of the highest quality in an efficient and effective manner.
- Ensure that schedules are maintained and/or surpassed.
- Ensure that all technical documentation and specifications are of the highest possible quality and accuracy.
- Manage all external and internal correspondence, documentation and communications efficiently.
- Ensure that all legal requirements are met.
- Continually improve the effectiveness of the Quality Management System.
- Enable a safe, happy and productive workplace for all employees.

In implementing this policy, we will engage with and support our employees, subcontractors and suppliers in sharing responsibility for meeting our Quality requirements. This policy will be reviewed annually in consultation with employees.
